RESOLUTION EXPRESSING SUPPORT FOR LOCAL ENERGY EFFICIENCY PROGRAMS

WHEREAS, the Northern Virginia Regional Commission (NVRC) has actively been involved in regional energy planning in support of member localities' community energy planning efforts; and

WHEREAS, energy use and emissions from existing buildings are a significant contributor to the region's energy and environmental challenges; and

WHEREAS, NVRC has identified expanding energy efficiency services in the region which has great value when implemented across the region; and

WHEREAS, NVRC working with the Local Energy Alliance Program (LEAP) have brought energy efficiency programs to the region since 2011; and

WHEREAS, in the past LEAP and its partners have helped more than 5,000 families in Northern Virginia reduce their energy use through weatherization and energy efficiency programs; and

WHEREAS, previous energy efficiency programs offered by Dominion Energy had expired; and

WHEREAS, the State Corporation Commission (SCC) has authorized 11 new energy efficiency programs in the service territory of Dominion Energy with a value of \$250 million over the next five years; and

WHEREAS, NVRC formally expressed its support of these programs via Resolution 19-09 which was submitted to the SCC; and

WHEREAS, LEAP has been authorized by Dominion Energy to implement the home energy efficiency programs in Northern Virginia and other localities in the Commonwealth of Virginia;

THEREFORE BE IT RESOLVED, NVRC expresses its support for the implementation of these measures in the region and continue its work with the Local Energy Alliance Program in support of reducing energy demand and further protecting the environment.

CERTIFICATION
