

Errata Sheet

Health, Social Equity, and Economic Impact of the Potomac Heritage National Scenic Trail in Northern Virginia of November 15, 2021

Update Date:
February 10, 2022

1) Report Page 7, Walking and biking counters section:

Errata Statement: BBC also collected counter information maintained by Prince William County for three locations along the southern portion of the PHNST. BBC did not include those counters because they were unable to differentiate between individuals on bicycles, pedestrians, and horses.

Corrected Statement: BBC also collected counter information maintained by Prince William County for three locations along the southern portion of the PHNST. BBC did not include those counters because data did not exist for the three-year period from 2016 to 2018. Data collection for each of these three counters began in 2020.

Further Information:

The Occoquan Bay National Wildlife Refuge counter tracks bicyclists and pedestrians. The Neabsco Creek Boardwalk counter tracks pedestrians. The Neabsco Creek Boardwalk does not permit cycling. Bicyclists are not permitted to walk their bikes on the boardwalk according to the Prince William County Parks, Recreation, and Tourism Department.
